COUNTY ON SITE IN PERSON TRAININGS

The following dates are available to book an On Site Training by Pat Davis for your meeting.

MAY 7, 8, 9, 14, 16, 21, 29, 30

In person trainings usually entail a Power Point presentation. These meetings generally involve more time. 1.5 to 2hrs. Training time is flexible but Pat's travel time from Addison, where he lives, should be considering in setting a start and end time

In order to facilitate on site trainings the County would need to

- Secure a suitable location with adequate seating,
- Commit to a date and time for the training ,
- Send out training notification to committee members with Maine EIN being sent a copy,
- Check for availability of electrical outlets, and a flat screen TV onsite is helpful (a 30" TV can be provided by Pat if necessary).
